Jacob Blessing his Sons, drawing, Adam van Noort.

From the Study John 16:32 (New International Version)

“A time is coming and in fact has come when you will be scattered, each to your own home. You will leave me all alone. Yet I am not alone, for my Father is with me.”

Jesus knew the time would come when the disciples would desert Him in fear. He knew He would be left alone, but He could confidently say, “Yet I am not alone, for my Father is with me.”

I hope you realise that as Christians we have a very privileged relationship with the Living God; Jesus has enabled us to share with Him in the intimacy of that relationship with the Heavenly Father. When you feel deserted, when you feel alone or that the enemy is closing you down, you are not alone, because your Heavenly Father is with you.

When God is with you you can stand tall - the Apostle Paul says, ***“If God is for us, who can be against us?”*** (Romans 8:31) A Bible believing Christian is never on his or her own, God’s Word never fails, He says,

***‘Never will I leave you;
never will I forsake you.’***

(Hebrews 13:5 referencing Deuteronomy 31:6)

Be blessed and **be a blessing** this month in Jesus name,

Pastor Phil.

Lord Jesus, please help us to be faithful to You in all things. Thank You Lord, Amen.

Bra Bank

We understand that it's not easy to find affordable underwear, so we're here to help.

Our Bra Bank collects unwanted bras, both new and old. We send them to places where underwear is very expensive, so they can be reused.

Even if a bra is not suitable for wearing, we make sure it doesn't go to waste. We recycle the parts and donate the money to Breast Cancer research.

If you need a Bra Bank at your workplace or school, let us know.

You can also drop off your unwanted bras with us, and we'll take care of everything.

JESUS CHRIST OUR ONLY HOPE

ECO-CHURCH

Great Big Green Week is the UK's biggest celebration of community action to tackle climate change and protect nature. Taking place between 7th and 15th June, there's something we can all do..... Around a million people – just like you- will come together to be part of a wave of actions for friends and family, climate and nature.

We can all make small swaps, large swaps and swaps that change the system, to make our communities better.

By coming together, we'll also send a message loud and clear to our politicians and decision makers that we need to swap old ways for better ways now.

During the week, communities, schools, businesses, churches, and more join together in a wave of support for action to protect the planet. Why not take a look at the GBGW

ECO-CHURCH (Continued ...)

During the same week

Churches Count on Nature will also happen, and while we cannot participate as a church as we do not have a graveyard or burial area, then we can pray that the churches that do participate find a blessing and attract new community members into their grounds. Maybe new species of wildflower or lichen or grass will be found in a particular place and this will inspire a more intentional effort to manage their land for wildlife and enhance biodiversity.
