From the Study *Titus 2:1 (NIV 1984)*

You must teach what is in accord with sound doctrine.

In my walk with Jesus, and certainly in my pastoral ministry, I've come across many Christians who love the church, they enjoy singing hymns (old and new), but they don't know sound doctrine. Many will nod agreement with the preaching and say, "Amen" in all the right places, then in conversation they will respond almost opposite to what they just heard.

Some people dictate their own faith and belief according to how they feel, or in light of the people they have around them, perhaps family or friends. Some church leaders even bend the rules to accommodate the people around them, they make excuses and reason that, 'God won't mind.'

Such people may then become offended when they hear preaching which contradicts their belief but actually upholds the scriptures. I was once asked if someone would be in heaven - I didn't know the person they were referring to who had died some years previously, so my answer was simply, "I don't know, it depends on whether he had received Jesus as Saviour". The person asking was a young teenager who then left the church because I couldn't confirm if her Grandfather was in heaven. I was then criticised by other family members and church members for not telling her what she wanted to hear, "What harm would it have done?".

Paul says, "***You must teach what is in accord with sound doctrine.***" Offend or please, we must teach the truth of God's word.

Be blessed and **be a blessing** this month in Jesus name,

Pastor Phil.

***Lord Jesus, keep us always in Your word.
Thank You Lord, Amen.***

Bra Bank

We understand that it’s not easy to find affordable underwear, so we’re here to help.

Our Bra Bank collects unwanted bras, both new and old. We send them to places where underwear is very expensive, so they can be reused.

Even if a bra is not suitable for wearing, we make sure it doesn’t go to waste. We recycle the parts and donate the money to Breast Cancer research.

If you need a Bra Bank at your workplace or school, let us know.

You can also drop off your unwanted bras with us, and we’ll take care of everything.

ECO-CHURCH

The **Restore** campaign cribsheet

The climate and debt crises are colliding to trap millions of people in poverty. These crises are a symptom of the broken systems and broken relationships of our times.

The Restore Campaign invites you to join in God's work to restore creation. Join us to call on the UK Government to stand up to reckless polluters and greedy lenders.

What's the problem

For too long, the UK Government has backed the world's biggest polluters and greediest corporate lenders, whose reckless actions are fuelling the climate and debt crises. The UK Government has looked the other way and repeatedly backed the wealthy and powerful over people living in poverty.

The climate crisis

The climate crisis is leaving parents fighting to feed their children, crops devastated, and entire villages displaced.

Floods have destroyed communities in Nigeria. Wildfires have devoured homes in Greece. Cyclones have killed thousands in Malawi. Drought has left people hungry in South Sudan.

And in every climate disaster, people living in poverty feel its impact hardest.

The debt crisis

Over 60% of African countries spend more on debt payments than healthcare or education. These debts mean they cannot provide basic services for their citizens.

For example, in Ethiopia the government is unable to pay some doctors and teachers, meaning hospitals and schools have to close.

What's the solution?

The UK Government is uniquely placed, and morally obliged, to act. It can tax the profits of polluters like Shell and BP. It can introduce 'debt justice' laws that force private lenders to cancel or negotiate the debt of low-income countries.

This could pull millions of people out of poverty.

The **Restore** campaign

You can make a difference

For 80 years, together with people like you, we've stood up and challenged those in power to make the world a more beautiful place. And we will do so again.

Because we believe in the unstoppable power of hope, and know that when we stand united, we are stronger than ever.

How can I get involved?

- 1 Sign the petition -**
to call on the UK government to stand up to reckless polluters and greedy lenders.
- 2 Join us online -**
we're running online webinars to share more about the campaign and explore how we can bring about change.

"Our government urgently needs money so it can deal with the climate crisis and protect citizens from economic hardship. But instead, we're trapped spending billions in debt repayments. We're in the worst debt crisis my country has seen in decades."

ECO-CHURCH (Continued ...)

A few people have noted a change of habits in their Eco Church Journey -these include:

Taking your own reusable cup when visiting Costa, Greggs, etc;

Planting potatoes in the garden;

Using a reusable plastic drink holder for tap water instead of buying bottled water (single use plastic);

Composting food waste.

Sponsored Slim

As many of you will be aware, we are raising funds to replace our skylight in the Welcome Area. The skylight has been leaking for some time since it was first installed and needs to be replaced as all attempts to repair it have failed.

Pastor Phil is doing a Sponsored Slim to raise funds for this project. He is aiming to lose 2 stones in weight by the end of August.

If you would like to sponsor Pastor there is a form in the welcome area - alternatively speak to Pastor Phil or one of the Deacons.

Any amount, large or small will be greatly appreciated.

Thank you in advance for your generous support
