From the Study
Luke 11:29 (Bible in Basic English)

***‘And the Lord said to him, You Pharisees
make the outside of the cup and the plate clean; but inside
you are thieves and full of evil.’***

Jesus had a wonderful way of taking an everyday activity and using it to illustrate an important lesson; in this case the everyday activity was ritual washing of a cup and a food bowl, but Jesus used it to refer to the need to be spiritually clean as a person.

Visiting the house of a Pharisee Jesus was observed as having not washed His hands before eating (a common daily ritual for spiritual reasons), but Jesus responded that this only cleans the outside of the body, that which is physical / natural - He explained that the Pharisee (and us as well) need to cleans the inner man, our spirit. He described the Pharisees as being greedy and wicked in their hearts and that these things needed to be cleansed.

While looking holy on the outside, for show, they were never going to be right with God while the poor and needy around them suffered and struggled.

As believers we are to receive the same teaching as we so often focus on our Sunday gatherings and our buildings, but sadly, so often, we don't give enough time to and we don't bless those who are in need in our communities, our faith is not lived out in practice.

The Word became flesh and made His dwelling among us, and we must make our dwelling among those He sends us to minister to in His Name.

Be blessed and **be a blessing** this month in Jesus name,

Pastor Phil.

***Lord Jesus, keep us always in Your word.
Thank You Lord, Amen.***

PEN Y FAN CLIMB

26TH JULY 2026

As many of you know, building needs some necessary repairs / replacement parts in the not too distant future - pointing on the older chapel building, new roof and guttering on the new building - all of which will be quite expensive to carry out.

Pastor and Molly (The Cockapoo) are climbing Penyfan to raise money for our Building Fund.

A sponsor form is on the Notice Board in the Welcome Area for anyone wishing to support this work and encourage this climb.

I said "Let me walk in the field"
God said "Nay, walk in the town,"
I said "there are no flowers there,"
He said "No flowers but a crown."

I said "but the sky is black,
There is nothing but noise and din."
But He wept as He sent me back,
There is more, He said, "there is sin."

I said "But the air is thick,
And fogs are veiling the sun."
He answered "Yet souls are sick,
And souls in the darkness undone."

I said "I shall miss the light,
And friends will miss me, they say."
He answered me, "Choose tonight
If I am to miss you, or they."

I pleaded for time to be given,
He said "Is it hard to decide?
It will not seem hard in heaven
To have followed the steps of your guide."

I cast one look at the field,
Then set my face to the town,
He said "My child, do you yield?
Will you leave the flowers for the crown?"

Then into His hands went mine,
And into my heart came He,
And I walk in a light divine,
The path I had feared to see.

ECO-Matters

Together for good during Great Big Green Week

Great Big Green Week 2026 took place in early June, and although we had no specific events at Aenon this time around, there were thousands of events all across the country, bringing together more than 1.6 million people. They took action for their communities, for nature and for the climate.

Great Big Green Week is the only mass moment for nature and climate in the UK, and it belongs to everyone. From repair cafés and nature walks to community clean-ups and film screenings, people everywhere came together for good during that week and made a real difference.

The theme this year was Together for Good, and it reflects a simple truth: when people come together in their communities, they create real, practical benefits - for local places, for nature, for climate and for our shared future. From small, everyday actions to bigger community events, Great Big Green Week makes that collective action visible. It clearly shows that these aren't isolated acts; they're part of a growing movement of collective action for climate and nature.

Bra Bank

We understand that it's not easy to find affordable underwear, so we're here to help.

Our Bra Bank collects unwanted bras, both new and old. We send them to places where underwear is very expensive, so they can be reused.

Even if a bra is not suitable for wearing, we make sure it doesn't go to waste. We recycle the parts and donate the money to Breast Cancer research.

If you need a Bra Bank at your workplace or school, let us know.

You can also drop off your unwanted bras with us, and we'll take care of everything.
